

Food Booths  
Welcome to BudaFest  
December 3-4, 2016

It's that time of year again. For those of you who are returning vendors, thank you for your continued support. For those new vendors, we hope you will enjoy what we offer at Budafest and that you will come back again.

To make sure everyone has a designated spot, we are asking that you email us with your confirmation by November 1st to budafestfoods@gmail.com. This will reserve the location you had last year and let us know for who is not returning.

We have some new groups interested in booths this year, so you will be limited to two main items for sale. If you wish to sell additional items, list those items as such on the registration form. We will work to make allowances on a case-by-case basis.

All food vendors must have their food handler's certification. This requires that the individual with the certification must sign off that all persons in the booth have been given proper training on how to handle food and sanitary requirements. Please mail a copy of your certification along with the application. It is a requirement by the regulating authorities.

As a food vendor, you are making a commitment to serve the public regardless of weather conditions. For that reason, we are asking that you do not arrive late or leave early. This is for the consideration of other vendors as well as the public.

Attached you will find the registration for 2016. Please complete application and submit by email or fax by November 1st. Checks must be received by November 1st as well.

Sincerely,  
Bert Bronaugh
